Dame Kelly said: "I am delighted to be recognising the 'On Camp with Kelly' athletes and their coaches for their excellent achievements this year. When I set up 'On Camp with Kelly' with the support of Aviva in 2004, one of my aims was to assist young athletes to develop into successful seniors and it's brilliant to see this come to fruition. The mentoring and education the athletes have received through 'On Camp with Kelly' has helped them to achieve this together with the hard work they put in on a day-to-day basis with their coaches."

Heather Smith, Head of Sponsorship at Aviva, said: "'On Camp with Kelly' is a scheme that we are proud to have supported from the beginning, and the Achievement Awards are a great way of recognising the successes of some of the athletes involved. It is our hope that with our support and Dame Kelly's mentoring and advice, these athletes will continue to develop into world class performers."

'On Camp with Kelly'

'On Camp with Kelly' (OCWK) was started by double Olympic champion Dame Kelly Holmes in January 2004 and with support and sponsorship from Aviva has grown from strength to strength. Over 60 athletes have been involved in the initiative to date.

Dame Kelly set up OCWK because she wanted to help talented young female middle distance athletes to achieve their dreams and to retain them in the sport. Her vision of OCWK was that it should be an educational development programme so that the athletes who are part of it gain life experiences as well as learn what it takes to become a world class athlete. Since 2008 15 talented young male athletes have also been involved in the initiative.

Eight girls were given the opportunity to participate in the first OCWK camp in South Africa in October 2004, funded by Aviva, and since then there have been regular Get-Togethers, a training camp in Spain and camps in Melbourne during the 2006 Commonwealth Games and at the GB Team Preparation Camp in Portugal and the IAAF World Championships in Berlin in 2009. OCWK athletes also have the opportunity to race in international meetings across the UK and Europe and benefit from mentoring from Dame Kelly as well as medical and financial support funded by Aviva.
